MAKE HISTORY

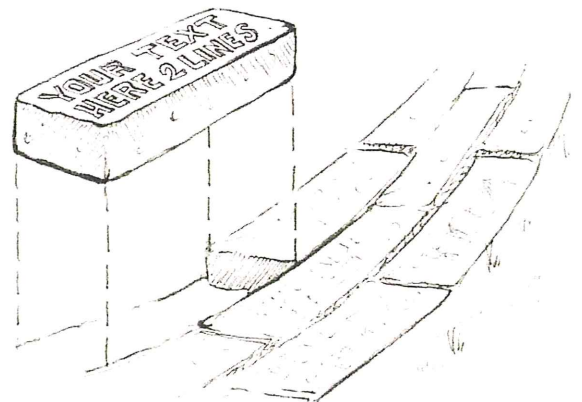

Become a permanent part of Parkersville National Historic Site by ordering your engraved brick. Community members like you, who regard our pioneering heritage with honor and esteem, will have their names and/or messages immortalized in this permanent tribute.

Beginning 2015, new engraved bricks will be placed by the newly designed Chinook Plaza water feature.

Join the names of Pioneers like Lewis, Clark and David C. Parker. Remember a loved one, recognize family members, memorialize a friend, demonstrate business and community support.

All bricks may be ordered with your seventy-five dollar tax-deductible donation, \$75.00 per brick.

Be a part of History. Place your order today.
