The Port brings jobs and recreational opportunities through a 400-acre industrial park, a 77-hangar general aviation airport and 350-slip pleasure boat marina. Grove Field is a small, general aviation airport with a state-of-the-art fueling station and 14 tie-downs in addition to the hangars. The marina is the largest publicly owned marina on the Washington side of the Columbia River and has a floating restaurant, launch ramp, nearby hotel, fueling station, electricity on the breakwater/guest dock, and is home port to the Dolphin Yacht Club. Construction of the Washougal Waterfront Park and Trail was completed in October 2017. The industrial park boasts a 100% occupancy rate of more than 35 businesses with an annual payroll of \$8.9 million and is adjacent to Steigerwald Commerce Center, 100+ acres of property currently under development. The Port also manages Captain William Clark Park at Cottonwood Beach, the adjacent protective levee and Parkersville National Historic site.
