

PORT OF CAMAS/WASHOUGAL REQUEST FOR PROPOSAL

PROJECT TITLE: Levee Recertification and Engineering Analysis

PROPOSAL DUE DATE: June 10th, 2011

Project Description: This RFP's is a request for Professional Engineering and Geotechnical services to complete the Levee Recertification and Engineering Analysis Documents in accordance with 44 CFR 65.10 of the Washougal Damage Flood Reduction levees. The project is located in Clark County, within the City of Washougal south of SR-14.

Project site is a levee system beginning at MP 11 of SR 14, Washougal, WA. Then easterly along the Columbia River approximately 5 miles to Lawton Creek and then northerly for .5 miles to the natural 40+ - elevation.

Detailed project information is available at www.portcw.com (projects) or by calling Project Manager Larry Connolly at (360) 835-2196 ext. 107.

Pre-Proposal Meeting

Due to the complexity and design material that will play a key part in completion of the project, it is suggested that all interested parties attend a pre-proposal meeting and site visit that has been scheduled for May 16th, 2011 at 1:30 p.m.

Please notify Project Manager, Larry Connolly by Friday, May 13th 2011, that your firm plans to attend the Pre-Proposal Meeting: larry@portcw.com or phone (360) 835-2196 Ext.107.

The Port of Camas/Washougal shall reserve the right to reject any or all Proposals, waive informalities, and make the award in the best interest of the Port. If you have questions pertaining to this project please call the Project Manager, at 360-835-2196 ex 107 or email to larry@portcw.com.
