

# The Waterfront at Parker's Landing

## Lease Information Coming Soon

Situated on 20+ acres of waterfront property, the Port's future Waterfront development will host a unique space for commercial, retail, residential, and mixed-use. Lease information is not yet available as we are currently creating the conceptual site-layout from public input. Final design of phase 1 will be completed mid-late 2020 with plans to break ground in 2021.
